

Trustee Candidate Comparison Grid

Use this for school board races or any candidate-facing local contest. Compare notes quietly; do not treat slogans as answers.

Question	Candidate 1	Candidate 2	Candidate 3	Candidate 4
Name / ward / website				
What problem in local schools do they name clearly?				
What budget trade-off do they acknowledge?				
What do they say about student safety and belonging?				
How do they listen to parents, students, and staff?				
Do they understand trustee powers and limits?				
Green flag / concern / follow-up question				
My score or note				

Non-partisan rule: the best comparison is specific, local, and checkable. If a candidate cannot name trade-offs, mark the gap.
